PRESIDENT'S MESSAGE, NANCY ACEMIAN

Although spring is in the air, recent events in Canada and the U.S. have dampened our spirits.

The Canadian government has announced the elimination of the Minister for Women and Gender Equality position in the new Cabinet—a significant setback for women's rights. CFUW has joined feminist organizations across Canada in condemning this decision. You can read the joint news release here: [CRIAW-ICREF Statement](#).

Over the past few weeks, our social media team has been sharing updates on CFUW colleagues attending the UN General Assembly. As members of MLUWC, you have the opportunity to engage at local, national, and international levels—something that is more crucial than ever given the current climate in the U.S. I encourage you to read CFUW President Linda Sestock's message in the March 14 CFUW newsletter ([read it here](#)), which provides an excellent summary of the key issues. Advocacy Groups will have their work cut out for them in the coming months to ensure our voices are heard.

A quick reminder of the Quebec Council of CFUW being held in St-Lambert on April 26. All MLUWC members are welcomed. For information on the guest speaker and registration details please refer to page 4 of the newsletter.

On a brighter note, I look forward to seeing many of you at our in-person April General Meeting. It's a wonderful opportunity to connect and learn more about our members as they showcase their volunteer work, professions, and hobbies.

Wishing a Happy Easter and Passover to all who are celebrating!

Nancy Acemian

GWI UPDATES

GWI participates in United Nations Director General annual civil society meeting

GWI attended the Directors General's annual meeting with civil society, addressing key elements and achievements from 2024, as well as upcoming events, general information and priorities for 2025. The Young Activist, Geneva Peace Talk and Pact for the Future were just some of the United Nations successful events of 2024. Moving into 2025, the 50th anniversary of Biological Weapons Conventions and the 100th Anniversary of Geneva Protocol will be celebrated.

A major priority for 2025 is ensuring adequate financial investment into sustainable development for 2030, as well as thinking beyond, making sure that sustainable development is a key foundation to all decisions. With the new energy centre being placed in Geneva, the United Nations will move from fossil fuels to using fully renewable sources. Other major infrastructure changes include ensuring the building is fully accessible to all bodies, a new visitor centre to help increase engagement and advocacy. All archives are now digital and available to everyone globally and there is hope of a new building which will provide further storage and space for civil society to work.

Jane Cowell
Interim GWI Representative

MLUWC SCHOLARSHIP FUND

Thank you all who have generously donated to the Scholarship Fund either through Canada Helps or by mailing in your cheque. Your donations are very much appreciated.

As you know, this year we will be increasing the amount of each of our scholarships from \$2,000 to \$4,000. Every contribution is very important to the Fund.

We only have a couple of months left in our fiscal year and we are still very short of our goal of \$20,000. In fact, we are only halfway there.

If we don't receive more money by the end of May 2025, we will have to take money out of the investment account.

Although we have enough money in the investment account to cover these disbursements, I would much prefer that we do not do this.

So, it is very important that people continue to donate to the Fund.

You can do so by sending a donation cheque payable to MLUWC Scholarship Fund to:

MLUWC Scholarship Fund
P.O. Box 383
Pointe-Claire H9R 4P3

Or by donating through Canada Helps at:

www.canadahelps.org/en/dn/10093?v2=true

You can use your credit card to make the donation. If you prefer, you can make a recurring monthly donation through Canada Helps as well.

Tax receipts are issued for donations of \$25 and up.

Thank you all for your donations.

ARMCHAIR TRAVEL

On Tuesday, April 22 we will meet for a chat at 7:00p.m. and at 7:30 p.m. Debbie Hughes will present. Here is her exciting topic!

“After 4 trips to Japan in one year I probably qualify as a Japan Addict. The contrast of its modern cities with its deep rooted culture and beautiful landscapes makes for a very rewarding experience for those who venture beyond the cities into the countryside.

In this presentation I will share with you my journey through the golden triangle of Tokyo, Kyoto and Osaka. I’ll also introduce you to lesser visited cities such as Nikko, Takayama, Nara, Hiroshima and Miyajima.

My main focus will be on the historic temples and shrines, Matsuri festivals, Samurais, Geishas and gardens. Although Japan is famous for Sakura (cherry blossom) season, I’ll show you the other stars of Japan’s stunning parks and gardens such as plum blossoms, irises and hydrangeas.”

Please join us!

Our Dinner Club is a dynamic group of approximately 52 MLUWC members, who enjoy dining together and sharing wonderful meals at restaurants in and around the West Island. We average between 15-24 diners an outing.

We meet on the fourth Thursday of the month at 6:00 p.m. for dinners and 12:00 p.m. for the luncheons. As your interest group leaders, we will inform you of the date, time and location of that month’s restaurant and request confirmation of your presence.
