PRESIDENT'S LETTER

It feels like déjà vu, but here I am again writing my last newsletter to you as President. I am very grateful to have had the chance to be your President. I had so many wonderful experiences with all of you and I look forward to more, but as your Past-President and Regional Director for CFUW.

I had the opportunity to participate in the national book club this past week and I strongly recommend that you take advantage of zoom and our ability to meet like-minded women across the province and the country.

Thank you all for your generosity for the Holiday Raffle, CAREJeunesse and of course Resilience - it has been lovely to see you as you dropped off your donations.

I am looking forward to working more on advocacy - and social media (if someone is comfortable with Facebook, Instagram, Linked-in, etc. - please let me know - I am willing to share the work).

I also hope to continue as a club ambassador in our local community and help to keep the MLUWC in the public eye. Remember we are all Club ambassadors and new members join because of you.

It is time to bid you au revoir,
Linda Sestock

PROGRAM
Monday, December 7 at 7:00 pm

Barbara Lewis and her team will help put us in the Christmas spirit.

Barbara Lewis performs powerful folk and pop songs that are both entertaining and highly emotional. With her wide-range, classically-trained voice, vulnerable stage presence and elegant storytelling ability, she is known as *“a hugely gifted singer, a born communicator.”* Barbara is also a vocal coach who specializes in working with singers over 40 - both beginners and professionals. Her YouTube channel is called, *Singing After 40.*

Doug Balfour is a multi faceted pianist, arranger, composer and as of late, a singer. He worked extensively in music theatre as a music direct, arranger, and keyboardist. As an accompanist, he has played with the likes of Barbara Lewis, Suzi Wesson, Karin Plato and, on a couple of brief occasions, Michael Bubl . An old-time rock n roller, he still plays with Toronto's legendary Robbie Lane and the Disciples.

Beverly McGuire is a well-known singer and voice teacher in many Montreal circles. Her versatility as a performer has charmed audiences in classical, Celtic and folk music. Equally compelling as an opera singer or accompanying herself in a ballad with acoustic guitar, she brings a sincerity to the music she serves.

CHRISTMAS FUNDRAISER DONATIONS

Just a reminder about our Christmas Fundraiser for the **West Island Mission**.

We are asking that you consider donating the \$5 you would normally contribute to each interest group leader, as well as the amount you would normally spend on raffle tickets. Like the raffle tickets and interest group donations, this donation would not be eligible for charitable receipts because the MLUWC is not a registered charity.

Suzanne Sparrow, the Director of the West Island Mission, was thrilled to hear that we have chosen them this year, and she will be with us at our Christmas party to hear about the amount we have collected.

Since we normally donate about \$1500 to a local charity, the MLUWC will **MATCH ALL FUNDS** you donate up to \$1,000. We thank you in advance for helping to keep this tradition alive.

There are three easy ways you can donate **before November 30th**:

1. Write a cheque made out to the MLUWC and mail it to our post office box:

P.O. Box 383
Pointe- Claire, QC
H9R 4P3

2. Send an Interac Transfer via your Online Banking

For this operation, you will need to set up the MLUWC Treasurer as a payee. The email address to be used is mluwc.treasurer17@gmail.com. Please use **Noel2020** as the password

3. Use our PayPal link: https://www.paypal.com/donate?hosted_button_id=XKPXU7W95PW42

Since we pay a small amount to process PayPal payments, we **kindly ask that you only use this method for donations of \$20 or more.**

Looking forward to seeing you all at the Christmas party and informing you how much we raised!

Jane Cowell
President

SCHOLARSHIP FUND COMMITTEE AND SCHOLARSHIP COMMITTEE

Every year, for over 60 years, the MLUWC has provided scholarships and bursaries to female students pursuing their education at every level. Adult education students, John Abbott College students, university bound and in technical programs, as well as students in university programs have benefited from the generosity of our Scholarship Program. In normal times individual donations, our regular monthly meetings and special fundraising events (thanks to the efforts of the amazing Fundraising Committee) have provided the income to make the scholarships and bursaries possible. This year the in-person events are on hold for the moment and we are more than ever dependent on donations.

Please consider donating to the Scholarship Fund in lieu of other activities that have been cancelled or postponed indefinitely. For information on how to donate, please visit our website and click on the donate button (**mluwc.com**). You can also make a cheque directly to the Scholarship Fund and mail it to the club (**MLUWC Scholarship Fund, P.O. Box 383 Pointe Claire, Quebec H9R 4P3**).

You may consider donating in honour of someone special, or, in memory of a loved one. All donations will be recognized, and tax receipts will be issued for donations of \$25.00 or more.

We thank you in advance for your consideration of this request.

We extend our condolences to Joanna Zaichkowsky and her family on the passing of her father, Andrew, at the age of 94 on November 8, 2020.

Our sympathies are extended to the family of Nora Christie, a Life Member, who passed away recently in Ottawa. She was a long-time member of the Club.

Women and the Arts During COVID 19

As one of the ways in which artists are coping and using their creativity and innovation to stay connected during the pandemic, the Stratford Festival has put together a [streaming service](#) to watch productions in the comfort of your own home for \$10/month.

UN 65th Commission on the Status of Women

The format of this year's 65th Commission on the Status of Women in New York remains under review by UN Women. Therefore, the participation of representatives from organizations in consultative status with ECOSOC in this year's CSW remains unknown, due to anticipated continued implications for in-person gatherings and international travel as a result of the COVID-19 pandemic. CFUW will provide updates to members as they are shared by UN Women.

CFUW and GWI

Unfortunately, there are still clubs not wanting to pay GWI dues, even after Clubs voted at the 2020 AGM vote to remain a member of the International organization. As recommended by the CFUW Mediation Report of June 2020, the CFUW Board created a national Communications Committee to develop a communications strategy to improve relationships within our organization and with the specific intent of healing strained relationships.

16 Days of Activism against Gender-Based Violence November 25 - December 10, 2020

The 16 Days of Activism against Gender-Based Violence campaign (November 25, the International Day for the Elimination of Violence against Women, to December 10, International Human Rights Day), can help put an end to violence against women and girls. CFUW clubs and members can be trailblazers in their communities.

For the UN's "Orange Campaign", MLUWC has approached West Island municipalities requesting that they light up their billboards in orange from November 25 to December 10 in support of the Violence Against Women campaign. So far Beaconsfield has given us a positive answer. Hopefully, more municipalities will follow their example.

CANADIAN FEDERATION OF UNIVERSITY WOMEN 

Take action to end Gender-Based Violence

Toolkit for the 16 Days of Activism against Gender-based Violence
November 25 - December 10 2020

PAGE 3

What is Gender-Based Violence?

The Convention on the Elimination of all Forms of Discrimination against Women (CEDAW) defines Gender-Based Violence as:

"Any act of gender-based violence that results in, or is likely to result in, physical, sexual or psychological harm or suffering to women, including threats of such acts, coercion or arbitrary deprivation of liberty, whether occurring in public or in private life."

Violence Against Women

GBV impacts women, girls, and LGBTQI2S+ people in areas such as domestic violence, sexual harassment or assault, child marriage, sexual abuse, human trafficking, and female genital cutting/mutilation (FGC/M).

In Canada, GBV disproportionately impacts women, girls, Indigenous peoples, LGBTQI2S+ and non-binary individuals, people living in northern, rural, and remote communities, people with disabilities, newcomers, children and youth, and seniors.

1 in 2 women in Canada have experienced GBV since age 16.

ADVOCACY NEWS

Once again, this year we will be collecting gift cards for CARE Jeunesse to be distributed during the Holidays. The cards can be from stores such as Dollarama, Walmart, Tim Hortons, Jean Coutu, etc.

Last year many of you included handwritten notes with the gift cards, which were very much appreciated. Some of you may want to write them again this year, even if you do not make a gift card donation.

Since many of us do not go out under the present conditions, Nancy Acemian has a mailbox with a security camera that you can mail your cheques to or drop them off at her house.

Linda and Chitra are also willing to pick up donations from members who cannot do it themselves.

Cheques should be made payable to MLUWC. If you are making one cheque for both charities, please specify how much should go to CARE Jeunesse for gift cards and how much to the West Island Mission food bank.

The deadline for the donations is: **DECEMBER 5.**

Thank you for your generosity.

MLUWC, PROVINCIAL COUNCIL OF UNIVERSITY WOMEN’S Clubs working together

By Maria Peluso, MCW VP Government Affairs

Following our work with the Provincial Council of Women and the ***Provincial Council of University Women’s Clubs***, please consider signing this petition on the need for Home Care. In a virtual meeting with the ***Quebec Ombudswoman, Me Marie Rinfret***, she revealed that since ***the Quebec Home Care Act*** was passed some ten years ago, little is being done to offer home care to those who require it. ***Seniors need home care the most***. Many seniors do not wish to be in a nursing home or residence. They are able with home care to remain in their own environment. Delays in obtaining home care are long, take years in fact, and worse, hours allotted for home care have been severely reduced. Moreover, it is not how citizens in our Covid-19 pandemic deserve to be treated.

The trajectory of the petition is an interesting one. Here is the background on the petition: It was started with Prof. Jacques Malouin, from the Université de Sherbrooke, who took it to Christine Labrie, MNA, for Sherbrooke, who in turn, took it to the Assemblée nationale. It is supported by members of the Association of Retired Professors of the Université de Sherbrooke, who are widely circulating the petition.

It is in the French language but filling in the boxes with your name, email address, and postal code is simple. Please consider circulating the petition among your own networks.

<http://www.assnat.qc.ca/fr/exprimez-votre-opinion/petition/Petition-8599/index>.

The MCW and the Provincial Council of Women are thankful to the Provincial Council of University Women’s Clubs for sharing this initiative with us.

“STATUS OF WOMEN AND ELDER ABUSE” – November 5, 2020

The ***Honourable Maryam Monsef, Minister for Women and Gender Equality and Rural Economic Development***, spearheaded our MCW virtual meeting. She spoke about how women in Canada

have been hard hit by the coronavirus pandemic and discussed the government's action to support women. She was also very interested to learn more about the work being done on the ground by organizations such as MCW and its affiliates, to support communities. This power of the community is an important way of staying connected.

Miranda Potts, Outreach worker for Seniors at Prevention CDN-NDG and MCW Convener on Seniors, spoke briefly on the impact of COVID-19 that she has witnessed as a frontline intervention worker for seniors within the west-end area.

Members of **RECAA (Respecting Elders: Communities Against elder Abuse)** headed by Anne Caines, a community worker and founding member and coordinator of RECAA, led us through a presentation that took the form of a dramatization that highlights the well-hidden and unreported forms of elder abuse that are experienced within all ethno-cultural communities. For more information about this organization, check out their website at recaa.ca

“WOMEN IN THE MILITARY- PAST PRESENT FUTURE” – November 19, 2020

MCW held an informative and enlightening session with **Master Warrant Officer Stephanie Cyr**, an Infantry Senior Non-commissioned Member in the Black Watch (Royal Highland Regiment) of Canada, based here in Montreal. MWO Cyr joined the Canadian Armed Forces in 1998 and has been deployed around the world to many places, including Bosnia, the Democratic Republic of Congo, Pakistan, and Afghanistan. Among her many achievements, MWO Cyr was the first woman to complete the Infantry Company Sergeant Major Course. We were joined by **Roberta Bolton** who spoke on the role military wives have taken in supporting service members.

DECEMBER PROGRAM EVENTS

- 🗓️ **December 3, 2020 at 12:00 noon: “PolySeSouvient and the Ongoing Efforts to Protect and Prevent”**, followed by a Commemoration honouring the lives lost on December 6, 1989. The MCW is pleased to welcome **Heidi Rathjen** of **PolySeSouvient**, who will present an update on the work of the group she formed in the wake of the Polytechnique de Montréal massacre. She will also provide us with insights into the current efforts of the Coalition for Gun Control. Following her presentation and a Q & A, she will be joined by fellow survivor **Dr. Marie-Josée Potvin**. Together we will honour the fourteen women killed 31 years ago.
