### **PRESIDENT'S LETTER**

I hope everyone enjoyed their pot-luck activity, whether it was online or in person. I enjoyed wonderful conversations at the lunchtime Zoom potluck. These are always popular and fun events. And they are perfect opportunity to get to know members – new and old alike – that we see at general meetings or on Zoom - but don't always have the occasion to speak to.

We have been lucky to have relatively mild weather so far in January. Hopefully, February will be the same. Like many of you, I am dreaming of warmer days ahead!

The February General meeting sounds really interesting. Our guest speaker, Professor Jeremy Clarke, from Concordia University, will discuss passwords, cyber security, fake emails, and answer questions about staying safe online.

All of us can use this information. I recently received a "Hey Mom" text that I found suspicious, and I immediately texted my daughters just to double check. It was a scam. My daughters always use the British spelling Mum in their correspondence with me, which is what I originally found strange! We all need to be vigilant. I am sure our speaker will give us great tips.

The Nominating Committee will be soliciting your help in working on the committee or in volunteering to be on the next executive. There are a lot of exciting positions that need to be filled and you may be just the right person to fill at least one of these positions!

Happy Valentine's Day!

Jane Cowell  
President

## PROGRAM

**Monday, February 13**  
**General Meeting**

**Remotely via Zoom**

## STAYING SAFE ONLINE!

**Jeremy Clark**  
**Associate Professor, Concordia University**

While the internet is a vibrant place for connecting to others and accessing valuable services, it is also full of bad actors who hack and steal. In this talk, we will discuss passwords, cyber security, fake emails, and answer questions about staying safe online.

**Jeremy Clark** is an associate professor at the Concordia Institute for Information Systems Engineering. At Concordia, he holds the NSERC/Raymond Chabot Grant Thornton/Catallaxy Industrial Research Chair in Blockchain Technologies. He obtained his PhD from the University of Waterloo, where his gold medal dissertation was on designing and deploying secure voting systems including Scantegrity—the first cryptographically verifiable system used in a public sector election. He wrote one of the earliest academic papers on Bitcoin, completed several research projects in the area, and contributed to the first textbook. Beyond research, he has worked with several municipalities on voting technology and testified to both the Canadian Senate and House finance committees on Bitcoin.

## ADVOCACY COMMITTEE

The month of January was a rather quiet one for Advocacy. The Committee is continuing with the Essay Contest Project, which will go on until the end of March.

If you would like to find more about this, please join us at the next meeting on February 2, 2023 @ 7:30 pm via ZOOM

## CFUW AND INTERNATIONAL RELATIONS

Did you know that CFUW plays a leading role in global affairs? Are you aware of the many partnerships we forge with other Non-Governmental Organizations (NGOs) to pursue the rights of women and girls?

The Commission on the Status of Women (CSW) is the largest gathering of gender equality advocates in the world in which the annual session convenes Ministers, high level government officials and civil Society representatives (e.g., CFUW) to the UN.

CFUW has been accredited since 1998. We contribute to the processes and discussions; and attend meetings, commissions, and the High-Level Platform (HLP) Forum on Sustainable Development.

We are able to organize events to showcase our work and to network with other NGOs, UN officials and other member state representatives.

Each year CFUW members apply to our national office to be one of CFUW's 20 delegates. These delegates self-fund a week at the United Nations attending CSW sessions with thousands of other women around the world who have come to New York City for this reason. Other CFUW members are invited to attend virtually and have access to a multitude of parallel events put on by other global NGOs

CFUW delegates will be attending the UN in person for the first week, March 6 - 10th, and hosting an in-person parallel event. We will provide more information in the coming weeks.

DID YOU KNOW?

Continuing the recent initiative of the Scholarship Committee to remind MLUWC members about the history of the club and the contributions of early members, we present this month the profile of **Alberta Schearer**, after whom one of our scholarships is named.

Linda Ricketts  
Scholarship Committee Member

## ALBERTA SHEARER. 1918-2012

Alberta was a founding member of our club, and President from 1970-1972. She was a teacher by profession and an active person, but thoughtful and measured at the same time. By her own account, this was a tumultuous period in Quebec's history, with the kidnap and murder of 2 prominent Government officials by the FLQ, and the implementation of the War Measures Act. Feminism was alive and well and The Status of Women Commission was set up. Alberta held various positions in MLUWC besides President, such as Archivist, Publicist, and VP. She was the club representative at CFUW and participated at the Montreal Council of Women representing MLUWC.

Through it all, MLUWC membership was growing, and community involvement was increasing. For example, MLUWC was asked to present nominations to the original Board of Directors of John Abbott College, a newly established CEGEP. Community Service continued with implementation of educational endeavours for tutoring students in the schools in reading, public speaking and support for special needs students.

Alberta led the Environmental Study Group, the only one within CFUW at the time. For example, lobbying took place with the municipality of Pointe Claire to protect Terra Cotta Park from development. Her group produced a recommendation to the Quebec Minister of Human Resources regarding clean water and the banning of pollutants. The group also pioneered recycling initiatives in several West Island Communities. Guest speakers often included women from the Feminist Movement, as well as First Nation representatives, whose frankness and radical views were not always appreciated by all members at the time. (1998 MLUWC 40<sup>th</sup> Anniversary Past President's report). Members' night became an important addition to one of the monthly meetings each year. Scholarships increased from one to three annually, including one for a student from John Abbott CEGEP, to continue studies at university.

## MLUWC SCHOLARSHIP FUND

The thermometer to the right of this article shows that \$7,500 was received from June 1 to December 31, 2022. Thank you so very much to all of you for your generosity.

Much of the money received was collected at the Christmas event. Unfortunately, I wasn't able to be there to thank you in person.

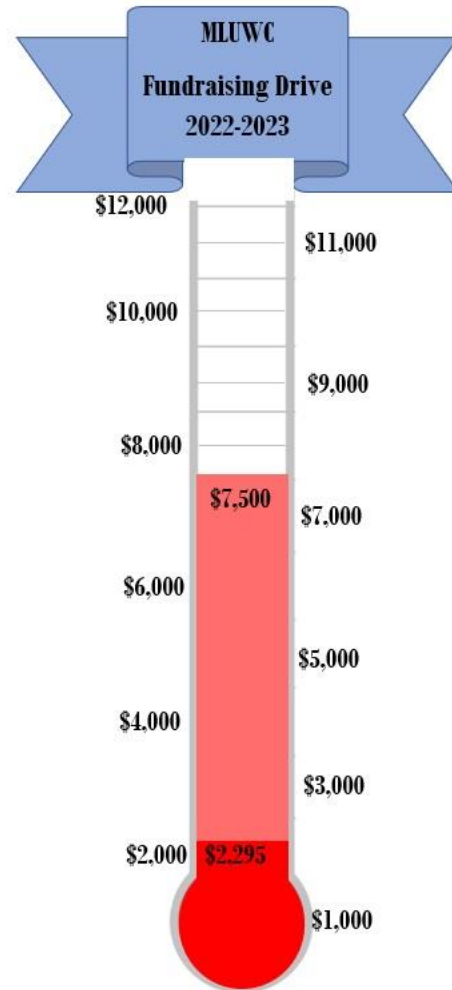

We recently received a cheque for over \$200 from Senior Discovery Tours (this amount is not reflected in the thermometer since their cheque was received in January). In case you weren't aware, Senior Discovery Tours donates 4% of any booking made by one of our members. However, you need to let Joyce Schaaf know so that she can advise Senior Discovery Tours. Since many of us are starting to think of travelling again, perhaps Senior Discovery Tours might be of interest to you.

Donating to the MLUWC Scholarship Fund can be done at any time. Credit card donations are accepted online through [www.canadahelps.org/en/dn/10093](http://www.canadahelps.org/en/dn/10093).

If you prefer, you can write a cheque payable to MLUWC Scholarship Fund and send it to P.O. Box 383, Pointe-Claire, QC H9R 4P3. Tax receipts are issued for donations of \$25 and up.

Thank you again for your generosity.

## **FUNDRAISING COMMITTEE**

The Scholarship Fundraising Drive which began in September 2022 and will continue until April 2023 has proven to be a tremendous success, along with the other mini fundraising activities to date. Please refer to the Scholarship Fund report to see our current balance.

We continue to welcome all Credit card donations, which may be made online through **[www.canadahelps.org/en/dn/10093](http://www.canadahelps.org/en/dn/10093)** or with a cheque payable to; MLUWC Scholarship Fund and sent to P.O. Box 383, Pointe-Claire, QC H9R 4P3. Tax receipts are issued for donations of \$25 or more.

The Fundraising Committee will also be conducting an Easter fundraiser April 8 and 9, 2023 in partnership with Beau Blooms owned and managed by Sally Gurekian's daughter. A tabletop arrangement of spring flowers or a small potted plant will be available for \$40.00. We hope to place a maximum of 50 orders from which a certain percentage of the sales will go to the Scholarship Fund. Should we reach our objective, it will secure approximately 4 more bursaries. Again, we encourage you to support this wonderful spring fundraiser!

An order form will be forwarded to the membership mid-February. A Fundraising Dinner is also planned for Wednesday, April 19, 2023 to commemorate the Club's 65th anniversary at the Enoteca Monza Restaurant on Blvd. Saint-Jean in D.D.O. If you would like to help organize this event, your support would be most appreciated. Registration details will follow.

Members of the Fundraising Committee are Anne Brohan, Sally Gurekian, Carole Newberry and Mary Vlahos. Should any MLUWC member wish to join our committee, you would be most welcome.
